RE: 1:15-cv-04290-LAK

Dear Honorable Judge Kaplan,

I am writing on behalf of my two clients: Strategic Capital Partners Master Limited and Strategic Wealth Investment Inc. I have been duly authorized by their manager Mrs. Kostadinka Velikova. I am an acting attorney-at-law at the Sofia Bar Association, Bulgaria. Please find attached herewith two power of attorneys signed by Mrs. Velikova.

We would like to receive up-to-date information (preferably by email) on the latest development of the above-mentioned civil case, in which both Companies are defendants. Mrs. Velikova is not a lawyer so she could not give me sufficient information about the case. I was told by her that as far as she is aware all assets of both Companies have been freezed under US law.

Please inform me whether there is any legal way to demand the partial lifting of the freezing of assets of both Companies, so that both Companies could pay for my services, for the services of the US attorney/s we intend to engage with it and any other legal expenses thereof. I believe I am not qualified to appear and plead before any US courts despite my earnest desire and intentions. I would imagine that I would not be accepted to represent and/or defend any of the two Companies in court even if I were present in New York.

Please, inform me whether the case is still in progress or it has been closed; whether there is any hearings scheduled (time and date of the hearings) in the near future, whether it is halted, dismissed, resolved, appealed etc.

A handwritten signature in black ink, appearing to be "Stanislav Hristov".

I have recently tried to obtain a registration via the PACER website, but was unfortunately unsuccessful.

If there are any restrictions under the US Code of Conduct of lawyers, please accept my apologies for contacting you directly, and please provide my contact details to the respective court's administrator/secretary, so I can continue communicating with him/her.

While looking forward to your reply, I remain

Respectfully Yours,

Mr. Stanislav Hristov
Attorney-at-Law
